

Dear

SAKIB HAQUE ZISAN

FOUNDER & CEO, BYTE CAPSULE

I am writing to express my keen interest in the Penetration Tester internship position at Byte Capsule IT Ltd, as discussed on the Byte Capsule IT Telegram official Channel. With my strong results and job experience in cybersecurity and my passion for ethical hacking, I am confident that I possess the necessary skills and knowledge to excel in this role and contribute significantly to your team.

In my previous role as an IT Manager at Chancellor Graments Ltd I gained valuable experience in network monitoring, Website Design and Development and Active Directory. I am proficient in using various penetration testing tools and methodologies, such as **Kali Linux**, **Metasploit**, **Wireshark**, **Nmap**, **Nessus**, **Burp Suite**, **OWASP ZAP**, **John the Ripper**, **Hashcat**, **Aircrack-ng** and I have a proven track record of identifying and exploiting vulnerabilities in web applications, network systems, and operating systems.

I am a highly motivated and results-oriented individual with a strong work ethic. I am a quick learner and I am always eager to expand my knowledge and skills. I am also a team player and I am confident that I can build strong relationships with my colleagues.

I am particularly interested in Byte Capsule IT Ltd because of your company's commitment to providing innovative and cutting-edge IT solutions. I believe that my skills and experience would be a valuable asset to your team, and I am eager to learn from your experienced professionals.

I have attached my CV for your review, which provides further details about my qualifications and experience. I am available for an interview at your earliest convenience. Thank you for your time and consideration.

Sincerely,

Md. Sumon
